

LION OF JUDAH ACADEMY

Bringing Communities Together with a Multicultural Unity Celebration

Greetings Potential Community Partner:

Lion on Judah Academy, is a 501c3, Christian centered academy. On April 19, 2025, we will be hosting our inaugural, Community Multicultural Unity Celebration. The purpose of the event is to spotlight our ability as communities to stand together in love. When we work together in trust and unity it benefits us all.

Based on data from neighborhoodscouts.com, there were 32 murders, 188 rapes, 526 robberies and 1,800 assaults in our communities during 2016. We believe that this event will help us stand against these acts and bring families, communities, schools, businesses and governments the power to build great communities that work for all.

We need the support of organizations like yours to help make this event a success. Your contribution or donation will empower us to exhibit the current crime statistics and combat against the elements which produce blemishes in our communities. Community partners will be spotlighted by the following:

- Your banner and logo will appear on the academy website
- Your banner and logo will be displayed at the Community Multicultural Unity Celebration
- Your business will be mentioned during radio appearances

To do this, we need ideas and understanding to work together on April 19, 2025 . I hope we have the focus to take the long view and build a structure that holds a foundation together for better communities, we want for generations to come. At each step we learned how to come together to solve our challenges and accomplish greater things than we could alone. As our case is new, so we must think anew, act anew, it's an honor to be a part of making this Community Multicultural Unity Celebration a great journey together.

Thank you for being part of this community celebration, and thanks for everything you do to help make this community multicultural day an event that will become part of our annual get together, Let's make our Community great again, NOW.

Should you have any question, please do not hesitate to contact Judith Shealey or Lorene Walker at 407-557-8116
